EDUCATION

Bachelor of Science (Computer Science)

University of Western Australia

GPA: 6.0 | WAM: 73.4%.

Enrolled 2020 - Present

Perth, WA

PROJECTS

Pets of Older Persons

- A progressive web application built for the not-for-profit organisation, Pets of Older Persons (POOPs) for use as a volunteer management system as part of Coders for Causes' winter 2022 projects.
- Frontend: Next.js, React, TypeScript, and Tailwind CSS.
- Backend: Firebase.
- Testing: Jest and Cypress.

LOLdle

- A League of Legends guessing game inspired by 'wordle' built for the Agile Web Development unit in 2022.
- Frontend was built with HTML, CSS, JavaScript, and the backend was built using flask, Python, and SQLite.

Duplicate File Utility

- Developed a command line utility in the C programming language which locates and reports duplicate files in, and below, a named directory.
- Implemented a hash-map to store SHA2 strings to improve performance when working with large directories in a contemporary Linux system.

UNIVERSITY ACTIVITIES

Coders for Causes

Current

- Acted on the committee to facilitate major software development projects during the university break periods.
- Recruited and managed 30 student developers for two major projects, POOPS and Elucidate in winter 2022.

PROFESSIONAL EXPERIENCE

ANZ

March 2019—Feb 2022

Personal Banker

Perth Central District

- Developing, maintaining, and growing customer relationships through proactively engaging in needs-based conversations to identify areas where ANZ could support them with their banking and personal finance.
- Empowering individuals and small businesses to achieve their financial goals by conducting financial health checks, streamlining their banking, and referring to specialists for complex products.

Robson Legal

April 2018—February 2019

Law Clerk

Perth, WA

- Assisting the solicitors and principal of the firm with the preparation, drafting and service of legal documents such as commercial contracts, affidavits of service, letters of administration and probate.
- Conducting legal research and writing memorandums for the firm's litigation team, mainly in the areas of taxation, estates, and commercial law.
